June 2025

Presidents Corner

Wow, I can't believe we are in June, the year is half over. Hopefully the rain won't come to a complete stop. Our club is busy, so busy that if you want to rent the trap house or Ballroom don't let any grass grow, the calendar is getting full of bookings. June starts off with a bridal fair on the 1st. Moving on June 7th is the BBQ contest, Car show and a band. The 21st of June is the annual Golf tournament, there is still room for your team, application is available at the club office. June 17 is the membership meeting, it would be nice to see our members get involved with the club operation, after all it's your club. One last note, I want to thank our board members for your time. Our officers spend lots of time paying our bills and daily operations. We are still improving the club wherever we can, the trap house gets rented quite often and needs a new AC and Furnace. The parking lot is in need for new striping for the 124 parking spaces. We improve when we can, so these areas are going to happen. Again, thank you for allowing me to be your president, have a great June, and utilize YOUR CLUB.

Treasurers' Comments

Hello everyone, for the members who do not know me my name is Dane Walkington, and I took over as treasurer in mid-January. Since taking on this challenge I have learned a lot about the club's finances. This would not be possible without the help and support I have received from Brad Brans and Sherry Cowan. I am not looking to start a treasurer's corner here, I just think it's good to hear from your officers from time to time. I believe the club is heading in a good direction at this point in time and I feel that if our members and officers keep doing what they are doing we will continue to grow. I also believe that the single most important thing our members can do is to participate in our club. We have a lot to offer and the more our members participate the better we become. With the return of the bulletin, we can keep the members informed of what's going on so members can make plans to participate. I would also like to thank all the members who participate in the gift card program. The money collected in this program really helps me with our food bill at some stressful times like when we have a slow week like last Easter. So please find something that interests you, come out, and have a good time. We would love to see you.

THANKS DANE

NEW MEMBERS

If you have not received your membership card, please check with the bartender. There are a lot of them back there.
