November 2025

Presidents Corner

As we move into the holiday season of Halloween, Thanksgiving and Christmas, With New Year's bringing up the rear, I want to remind everyone of a simple fact about your club. This is still a business that generates close to a million dollars a year. With that being said, it's hard to operate the club when we can't get 11 voting members to attend the membership meeting to get floor approval for business decisions. Our By-Laws state that the membership meeting in October is designated to fill openings for all Officers positions and we have two positions for the board, that didn't happen because we didn't have a quorum. We have to step outside the box and run the November meeting to get this done. Please help us and show up for the November membership meeting, we will still be required to have a quorum of 11 voting members. If you are interested in helping run your club by being involved in the business end of things, you need to be a voting member to hold an office and get your name on the ballot in the December election. The meeting will be on November 18, at 6:30 pm. I can't stress the importance of getting this done. Thank you and enjoy the beautiful fall weather.

Your president and friend,

Harold Medford.

From the Desk of Dean Comer

I asked our longest standing member to share some memories of the club over the years with everyone, and she has been more than happy to do it.

Lois Davis, member since 6/20/1951.

When Dean asked if I would write about my life as member of the "Club", I said I would be happy to.

I started jotting down a few facts:

My husband Ed was already a member of the Club when we got married. He joined in 1951 and his father, Jesse Davis had been a member since the 1940's. When the Club started with 6 people.

The club has been a big part of our lives. Our children became members when they turned 8.

It was something we could afford. The Workingman's Country Club. My fondest memories include: Wednesday night potluck, Thursday night bingo, Saturday night dances, registered trap shooting and fishing. Pleasant Hill camping was where we had the best time and made the most friends.

But the big event of the year, well, two actually- the yearly lottery for new members, to keep our membership at 2,500 and no more. Secondly the annual Sportsfest. It was a weekend long event, where everyone pitched in to help!

But the biggest gift is/was the friends we made and still cherish. I am so blessed to be a part of the Club.

Lois Davis

Please share your memories or stories with us.

Name

We had a great 2025 Trap Season this year. There were a few hiccups starting off, but things lined out pretty well and I think the participating shooters had a lot of fun this season. Amy, Clay, and I are looking forward to helping again in 2026!! I'd like to thank all of our volunteers and workers. Many thanks to Trap Co-Chairman Clay Halford, Amy Arnold, Duane & Theresa Martin, Linda Fleshman, Billy Murray, Allen Ward, and Ashley Halford. Thanks to Rick Melton & team for keeping the fields looking great! We can't run trap without our paid helpers and I really appreciate their dependability this season and hope they come back next year. Our full-time kid workers were: Sam Arnold, Charlie McGhee, Mason Murray. Fill-in kid workers were: Lilly Henkhaus, Bradley Hamlin, & Gabe Poole. We plan to have the Trap Banquet in February...the date is TBD. If you or someone you know is interested in having a team in 2026, please let Tim, Clay or Harold know.

A Mouse Race fundraiser is a lively, interactive event where real mice race down specially designed tracks while guests cheer, place friendly wagers, and enjoy the excitement of the competition. Just like horse racing, each mouse is numbered, and attendees can pick their favorite to root for. Between races, the fun continues with raffles and 50/50 drawings, giving everyone more chances to win while supporting a great cause. It's a night full of laughter, anticipation, and community spirit — all while raising funds for Pride Incorporated's beautification projects.
