October 2025

Presidents Corner

Needless to say, if I say this year has flown by, I think we'd have 100% agreement on that one. The month of October, hopefully we'll have a scenic view with the changing of the leaves, temperature will be changing as we march closer to winter. We have upcoming events for October are bow season starts today and duck season is a few weeks down the road. Good luck with your season this year with deer and duck. Have fun and be safe. Towards the end of October, we have the trunk or treat for the kids at the Godfrey club. The date is further in the bulletin. With everybody's busy schedule, we still would appreciate it if you would utilize your club. Have a safe and wonderful fall

Your president, Harold Medford

Volunteers of the Month:

Tim and Amy Arnold

The volunteer of the month this month is two people. A longtime member and a lifelong member. The husband-and-wife duo of Tim and Amy Arnold. This year the club was struggling to find someone to run our weekly trap league this summer. Tim and Amy stepped up and took on the challenge. They had a major task ahead of them as the league had 12 total teams which had been more than previous years. They fought some precipitation throughout the summer. But with their hard work and determination they got every week in. If you see Tim and Amy at the club, be sure to thank them for their time and effort to make trap season the success that it was! We at the Sportsmen's club Thank you and hope you have a Sportsmen's club day!

Between races, the fun continues with raffles and 50/50 drawings, giving everyone more chances to win while supporting a great cause. Pleasant Hill Facility

The Club's Pleasant Hill facility is located approximately 5 miles south of Pleasant Hill, Il. on 700 acres of timber and farmland with a 3-story clubhouse. There are 60 permanent camper sites and 3 temporary camper sites, all surrounded by woods on the Mississippi River below the Clarksville Dam. The boat ramp provides easy access to the river for eligible members. There are duck blinds, and deer stands available for members that are eligible to use them. (See the membership rules and requirements for more information). The clubhouse has restrooms, showers, bedrooms, refrigerators, and a fully stocked kitchen with pots, pans, and silverware. Rates for using the cots in the clubhouse are posted by the sign-in register in the basement. Camping is permitted year-round. NOTE: Temporary camper sites and cots in the clubhouse are available on a first-come, first-served basis. You must be a Waterfowl or Regular Member to have a permanent camper site.

- The dumpster is for garbage not large items as in couches, chairs etc.
- The electric bills are excessive, please turn off what's not needed when you are not there. There are talks of power meters being installed at each camper and members paying the electric fees for their own use.
