### September 2025

#### Presidents Corner

Thank God August gave us a little break from the heat. With September looming ahead hopefully we will receive more breaks from the heat. Club is running okay and the kitchen staff has turned complaints into compliments. We finally got to have a membership meeting in August, it takes 11 voting members to have a quorum and that's how many members showed up. Still not happy with that situation with the club having 750 members. September 6th is the car show, we as a club need these events to bring in revenue to keep cash flowing to keep the bills paid. You have seen the increase in every day expenses with our own homes, utilities, groceries, insurance, taxes, same with the club. If you can help with volunteering for the car show contact Ben Chapman 618- 558 6879. Also bingo pays a lot of our bills, bingo is every Thursday night at 6:30, can always use help with bingo. We were also going to have a fall conceal and carry class but haven't had any one showing interest at this point, I myself have put doing this off but with crime even in our areas, need to get it done. So enjoy the weather and enjoy your club.

Your president, Harold Medford

Some people have not picked up their membership cards/Stickers

If you have paid and do you have an updated card/sticker, ask the bartender.

There are still 100+ members that have not paid, check to see if its you.

If your address/phone or email has changed, write a note and give to bartender.

Thank You

## Pleasant Hill

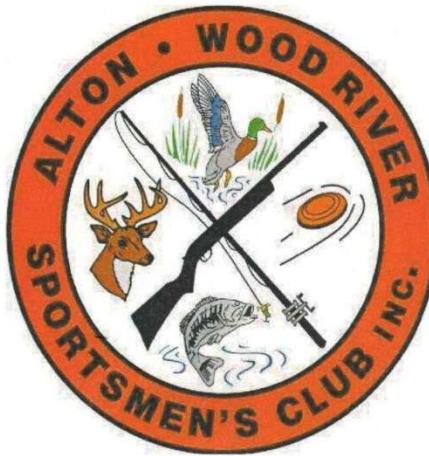

### **Pleasant Hill Facility**

The Club's Pleasant Hill facility is located approximately 5 miles south of Pleasant Hill, Il. on 700 acres of timber and farmland with a 3-story clubhouse. There are 60 permanent camper sites and 3 temporary camper sites, all surrounded by woods on the Mississippi River below the Clarksville Dam. The boat ramp provides easy access to the river for eligible members. There are duck blinds, and deer stands available for members that are eligible to use them. (See the membership rules and requirements for more information). The clubhouse has restrooms, showers, bedrooms, refrigerators, and a fully stocked kitchen with pots, pans, and silverware. Rates for using the cots in the clubhouse are posted by the sign-in register in the basement. Camping is permitted year-round. NOTE: Temporary camper sites and cots in the clubhouse are available on a first-come, first-served basis. You must be a Waterfowl or Regular Member to have a permanent camper site.

- The dumpster is for garbage not large items as in couches, chairs etc.
- The electric bills are excessive, please turn off what's not needed when you are not there. There are talks of power meters being installed at each camper and members paying the electric fees for their own use.
