March 2026

Dean Comer

Presidents Corner

Great start to the year, valentines dinner was a great success with the exception of a mishap with a ticket getting forgotten to be turned in. The issues has been resolved and we apologize to the group. We are seeking more ways to improve the income for the club to offset rising costs without more burden to members, volunteer to help with fundraiser (its fun anyway). Lets get your ideas on how what fundraiser ideas you have. Seems it's a small group of people working very hard to keep things running. Guys its your club, help it grow.

Fish specials will be available all day on Fridays and Saturdays for lent.

[The tradition of eating fish on Fridays during Lent is rooted in the Catholic Church's teachings and has historical significance. It is a way for Catholics to reflect on the sacrifice of Jesus Christ and to practice penance. The practice is not only a personal act of faith but also a communal expression of Catholic identity. The choice of fish over meat is symbolic, as it represents a simpler diet and aligns with the spirit of humility. This tradition has been observed for centuries and continues to be a significant part of the Lenten season for many Catholics.](#)
